**QUIZ :**      **Symbolic AI**

The quiz interface features a central illustration of a person standing on a large orange-yellow gradient circle, with a brain-like structure above them. To the left, there are four empty square input fields of increasing size from top to bottom. Below these are two more squares: one pink with a checkmark and one empty pink square. At the bottom left is a Creative Commons BY license logo. On the right side, there is a logo for 'AI4T AI FOR TEACHERS' and a note that it is 'Co-funded by the Erasmus+ Programme of the European Union'.

## Select the correct statements about symbolic AI

- was very popular in the 1980s
- uses statistics in a holistic approach
- gave rise to expert systems
- focuses on problem solving
- is based on explicit knowledge
- is now integrated into the Semantic Web
