### QUIZ : Computeraufgaben & die 5 großen Bereiche der KI

The quiz interface features a large central image of a person standing on a globe with a brain-like structure above them, surrounded by data visualization elements like a bar chart and a network graph. To the left, there are four empty square boxes for marking answers. Below the boxes is a CC-BY license logo. In the bottom right corner, there is a logo for "AI4T AI FOR TEACHERS" and text indicating it is co-funded by the Erasmus+ Programme of the European Union.

## Match each computer task to one of the 5 big areas in AI

Learning to recognize cars from a large amount of data is

Learning

Recommendation for an optimised route is

Representation and reasoning

Perception

Human voice recognition is

natural interaction
